TERMS

tales by DVS

1. "SCHEDULING"

The client should provide a schedule 30 days before the wedding date which has the dates and timings of events, locations, start and end timings. All the events will be planned and will happen according to the information provided by the client, NO changes can be done at the "last minute". team information will be available in the group we share with you before the event.

2. TRAVEL EXPENSES

You shall provide travel and accommodation for all outstation events. if accommodation is not provided we will head to book one and charges will be added to the final bill after the wedding.

3. ADVANCE PAYMENTS

You shall clear 50% of the whole amount immediately to block the dates, 50% on the wedding day. Once the advance is paid and the dates are blocked, it cannot be refunded. Guaranteed delivery from 60 days of your second payment, else we offer a free couple shoot.

4. Change of Plans

Any change of plan and postponement of any event will be accommodated based on our availability on the new dates (ONLY WITH 3 MONTHS PRIOR NOTIFICATION). if not informed the day will be considered an event and the advance will not be refunded.

5. HARDISK / PAYMENTS / BACKUP-DATA

DATA is provided over the hard disk to the client only when 100% of the payment is done. RAW DATA WILL BE GIVEN ONLY OVER HARDRIVE AFTER THE PAYMENT. we do not keep a backup of any wedding after 3 months (without payment) 1 year (after payment). we're not responsible for the data after the due date.

6. TEAM / RESPECT / TIMING

All our team is well-behaved and well-mannered, we expect the same in case of any events or situations. supporting them in an event will result in good output. Please let them have their space for a while to have food during long-day events. we respect your time and will be available on time and we expect the same from the clients. mentioning event time one hour before the event is fine but 2-3 hours prior will be considered as shooting time, time starts from the time mentioned on the schedule by the client.
